Testimonial

Do you have an outstanding Perkins Loan? Yes/No

If you answered yes to the question above, please help us advocate for the Federal Perkins Loan Program, which is currently in jeopardy, by writing a brief testimonial that could be sent to Members of Congress in support of the Federal Perkins Loan Program.

Your testimonial should be typed, single-spaced on a separate sheet of paper. There is no length requirement. Here are some suggested points that you can address in your brief testimonial:

- How the Federal Perkins Loan has helped you finance your education?
- What would have been the financial impact if you had not yet received a Perkins Loan?
- The need for the federal government to provide adequate funding to maintain a strong and viable program.
- Please include anything else that you think is relevant.
- Please complete the Release Form so that we may share your responses with interested parties, including Members of Congress.
